Request for Public Records Exemption

Name: _____

Property Address: _____

Telephone: _____ E-mail: _____

I hereby certify that I qualify for exemption from the Public Records Law and I hereby request that my home address and telephone number be maintained as confidential under Chapter 119, Florida Statutes.

I understand that this information will not be available as part of the public records of the Property Appraiser's Office and that this may affect the notification process of certain agencies that rely on the tax roll as their source of information. I also understand that this information may have previously been provided to other public agencies and that the Property Appraiser is not responsible for the actions of other public agencies with respect to any such information previously received by such agencies. I understand that it is my responsibility to check with other public agencies to see if they have such information and if so to request that they treat it in a confidential manner in accordance with Section 119.07, Florida Statutes.

By filing for this exemption, the information protected from public disclosure will not be disseminated on a prospective basis. Please be advised that information that is already within the public domain, that has already been requested or that has already been disseminated to outside entities and organizations as part of routine requests for information, will not be affected by this request. We make every attempt to protect the dissemination of this information as of the date the form is filed.

I further understand that it is my responsibility to notify the Property Appraiser's Office if my status changes so that I no longer qualify for this exemption.

Appraiser's Responsibility — By state law, it is the responsibility of the Appraiser to locate, identify, and appraise, (at current market value), all property subject to ad valorem taxes, maintain property value roll equity and process allowable exemptions. The Appraiser has no jurisdiction or responsibility for district budgets, tax rates, special assessments or amount of taxes paid. These matters are handled by the various taxing authorities performing services, such as the County Government, City Governments, School Board and other taxing districts.
